

## Educational and research facilities of Radiology

### Exclusive student room

General Physics Laboratory Equipment

X-ray tube and darkroom equipment

Density meter and sensitometer

### Densitometer and Charger

Environmental Dosimeters and Pollution Measurement Monitor

Ionisation chamber dosimetry

Ultrasound machine

Dozymet film of the poison

Phantom Mammogram Accreditation

CTDI Dosimetric Phantom

Digital Phantom Radiology

Phantom Quality Control Ultrasound

Phantom Quality Control Digital Mammography

Phantom CT scan image quality

Piranha Quality Control Kit
