

Important equipment of intelligence group

serum pump	11-part
anesthesia machine	
ECG machine	sphygmomanometer
Dressing trailer	computer artificial respiration mannequin
suction	Spinal anesthesia replica,
surgery bed	endotracheal intubation mannequin,
Manometer	training mannequin, human
Spinal injection training model	head, injection
Adult breathing bag with mask	mannequin, large intubation
O2N capsule	mannequin, intravenous
Capsule 20	injection mannequin,
show curtain	ACLS mannequin, large
Video data projector	ACLS mannequin,
syringe pump	electroshock machine, ventilator machine
